

Echoes of the Reformation

This year marks the 500th anniversary of the Protestant Reformation. *Echoes of the Reformation* is a 6-part DVD series that highlights the work of Martin Luther and other Reformers, while exploring the five core truths that came out of the Reformation. Known as the *5 Solas*, these truths are foundational for our faith, and intensely practical for Christian living today.

Sign up today and be sure to indicate whether or not you'd like to purchase one of the participant workbooks. (They will be about \$14.)
