

Who Is My Neighbor?

Luke 10:25-37

1. What are the preborn?

2. What makes humans valuable?

3. Is the Bible silent on abortion?

4. What is our duty to those who are oppressed, marginalized or targeted for death and to those who've had abortions?

Words to Remember – Isaiah 58:6

“Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?”
