

Taking Note of **God's Goodness**

"I will sing to the LORD, for he has been good to me." - Psalm 13:6

God has shown his goodness to us in many ways - through the world around us, through people, and of course through Christ.

This coming week, be on the lookout for examples of God's goodness to you. Write down what you observe and take time to thank God for his goodness. Share what you discover with others.
